BlackRock and Vanguard are the Top Globalists Who Run the World – For Now

Total Views : 2,141

[Original Image Source:](#) Vanguard and BlackRock Own the World

Comments by Brian Shilhavy
Editor, Health Impact News

I have repeatedly stated for the past few years, since the COVID scam, that politicians do NOT run the world, but are puppets put into office by the Globalists who control the flow of the world’s finances.

They are part of the Satanic world system referred to throughout the New Testament portion of the Bible, and at the top of the financial pyramid they are Freemasons who serve Satan. The leading country in this demonic world system is the United States, which was founded as a Freemason country to introduce a New World Order. See:

To identify these Globalists who control the world’s financial system, we need to simply identify the main people who control most of the world’s money.

At the top of the pyramid today sits BlackRock, led by Larry Fink. James Corbett has just produced an incredible investigative report on the rise of BlackRock titled:

How BlackRock Conquered the World

Excerpt:

The future of the world according to BlackRock is now coming fully into view. It is a world in which unaccountable computer learning algorithms automatically direct investments of the world’s largest institutions into the coffers of those who play ball with the demands of Fink and his fellow travellers. It is a world in which transactions will be increasingly digital, with every transaction being data mined for the financial benefit of the algorithmic overlords at BlackRock. And it is a world in which corporations that refuse to go along with the agenda will be ESG de-ranked into oblivion and individuals who present resistance will have their [CBDC wallets](#) shut off.

almost complete.

JAMES O'KEEFE: Meet Serge Varlay, a recruiter at BlackRock.

SERGE VARLAY: Let me tell you, it's not who the president is. It's who's controlling the wallet of the president.

UNDERCOVER REPORTER: And who's that?

VARLAY: The hedge funds, BlackRock, the banks. These guys run the world.

Campaign financing. Yup, you can buy your candidates. Obviously, we have this system in place. First, there's the senators. These guys are f***ing cheap. You got 10 grand? You can buy a senator. "I could give you 500k right now, no questions asked, Are you gonna do what needs to be done?"

REPORTER: Does, like, everybody do that? Does BlackRock do that?

VARLAY: Everyone does that. It doesn't matter who wins. They're in my pocket at this point.

James Corbett has also published an exposé on Vanguard as well:

planning ScamDemics as they did in 2020, because their ponzi scheme banks and stock markets are running out of money as they work towards a collapse of the world’s economy, which could be imminent, and then implement their “Great Reset.”

They control who “wins elections” as well, so that it doesn’t matter if you vote for their candidates or not. See:

Since National U.S. Elections are Rigged by The Globalists, Why are You Voting for Their Candidates?

But they are human, and they are not invincible. Their system is falling apart, and just as James, the half-brother of Jesus Christ, wrote about the Satanic Jewish bankers of his day just before Jerusalem and its financial system was destroyed in 70 A.D., so too these Freemason Satanic Jews will soon meet their fate.

Now listen, you rich people, weep and wail because of the misery that is coming upon you. Your wealth has rotted, and moths have eaten your clothes. Your gold and silver are corroded. Their corrosion will testify against you and eat your flesh like fire. You have hoarded wealth in the last days. (James 5:1-3)
