Henry Makow - October 8, 2023

The globalists need a world war to cover up their COVID-19 genocide and to prevent Trump from winning

[Albert Pike's 1871 letter to Giuseppe Mazzini](#)

"The Third World War must be fomented by taking advantage of the differences caused by "agentur" of the "Illuminati" & the political Zionists and the leaders of the Islamic World. The war must be conducted in such a way that Islam (the Mos Arabic World) and political Zionism (the State of Israel) mutually destroy each other."

The claim that the attack was a surprise is the biggest tell that this war was contrived by Israel. Indeed Netanyahu is a "Pearl Harbor moment" referring to another false flag used to justify the US entry into World War Two. Is this designed to touch off WW3?

We have been fed a daily diet of Israeli abuse of the Palestinians – settlers burning olive orchards, [snipers shootir children](#).

An Israeli mob [just overran the Al Aqsa mosque](#).

I think most Israelis would adopt a two-state solution given the chance.

Israelis are being victimized again by their own government. Jews had to be tricked into invading Palestine by the [who sponsored anti-Semitism and Hitler](#).

Jews never needed a "Jewish homeland." [Antisemitism was caused by Organized Jewry](#). The people of the West nr national homelands that were/are being destroyed by Masonic Jewish globalism.

The [best course](#) would be for Israel to exercise restraint and compromise to save the hostages and avert a wider
