This coming Friday, November, 17, 2023, SpaceX's largest rocket, the "Starship," which is also the world's largest ever built rocket and launch system, is scheduled to make its second test launch and flight.

SpaceX's next Starship test launch could lift off as early as Nov. 17, pending regulatory approval from the Federal Aviation Administration and other agencies.

The potential launch from SpaceX's Starbase test site at Boca Chica Beach near Brownsville, Texas will mark the company's second test flight of an orbital class Starship and Super Heavy booster — the largest and most powerful rocket ever built. SpaceX launched its first Starship test flight in April, but it exploded shortly after liftoff.

"Starship preparing to launch as early as November 17, pending final regulatory approval," SpaceX wrote on X, formerly known as Twitter, late Friday (Nov. 10).

The Starship and Super Heavy launch system is the world's tallest and most powerful rocket. It stands nearly 400 feet tall (121 meters), has a touted lift capacity of 165 tons (150 metric tons) and is designed to be fully reusable. SpaceX aims to use Starship as a workhorse heavy-lift launcher, as well as for deep space missions and has already sold flights around the moon to space tourists. NASA also plans to use the Starship rocket to land Artemis 3 astronauts on the moon. [\(Full article.\)](#)

What is this mega-rocket going to be used for? Launch more satellites, joining the more than 8,800 operating satellites currently in orbit radiating the earth and looking at who knows what?

On Sunday, SpaceX launched 23 satellites from Cape Canaveral in the morning, and 22 more from Vandenberg Air Force Base in the evening. This brought the total number of operating satellites irradiating the Earth to about 8,800.

SpaceX has been sending up satellite-laden rockets every few days this year, in its haste to satisfy an insatiable demand for bandwidth by the billions of human beings who use cell phones. But SpaceX is not the only one. Hundreds of companies are

Is the Spirit of Columbia the Head Demon Over the United States? Is this Demon Referenced in Biblical Prophecy?

On January 5, 2022, I sent out a newsletter listing 147 companies and government agencies from 34 countries that were operating, launching, or planning fleets of satellites that, if they were all launched, would total about half a million in our skies, far outnumbering the visible stars. Probably, but this rocket is built for bigger things.

Could we be entering into a new phase of war, where the threat from alleged "nuclear bombs" becomes nothing compared to energy weapons that could potentially affect the weather, create earthquakes, and cause massive fires that instantly incinerate everything in their path?

Such massive destruction could render human soldiers unnecessary, as the modern warrior would then be sitting behind a computer somewhere ready to "pull the trigger."

Well one thing we know for sure, is that NASA's new space program, **Artemis**, has already contracted with Musk and his SpaceX "Starship" to become part of the Artemis space program.

Since its inception, the U.S. space agency NASA has used the names of "Greek Gods and Goddesses", which the Bible refers to as "Demons", to name their spaceships and space "exploration" programs. "Apollo" was one of the first names used.

And that is because NASA is a Freemason organization.

Freemasonry is a secret society and referred to as *The World's Oldest Religion*. It is simply another name for "Satanism", but everything is done in secrecy, although they use their own symbols to communicate with each other out in plain site. To learn more see:

[Insider Exposes Freemasonry as the World's Oldest Secret Religion and the Luciferian Plans for The New World Order](#)

NASA was clearly founded as a Freemason, Satanic enterprise, as is clearly evident from the symbols and names they have used from the beginning. Very few would dispute this, so strong is the evidence that is clearly out in the open for everyone to see.

One of the most famous Freemasons associated with the NASA Freemason agency, is Edwin Eugene Aldrin Jr., better known as "Buzz Aldrin," one the first two men who allegedly landed on the moon.

Many people over the years have questioned whether or not people have ever actually landed on the moon, and for years Buzz Aldrin denied that it was staged, including in a 2009 interview with Alex Jones.

But in more recent years, a video has emerged where Aldrin allegedly admitted to an 8-year-old girl that the event never happened.

Here is an excellent short video presentation that includes Aldrin's confession, along with other evidence that shows that the moon landing never could have happened back in 1969. The video is less than 11 minutes long.

I am sure many of you reading this were not alive back in 1969 when this alleged event happened, and if you search online you will find many “fact checkers” trying to debunk that Aldrin actually admitted this.

However, I was alive and still a child at the time this happened, and I clearly remember watching it “live” on TV. This was part of the post WW II industrial age when technology was rapidly accelerating, and the public was easily swayed (just like today with “AI”!) about how advanced the technology allegedly was, so that many people believed that this was a real event.

Most of you reading this have grown up in the “computer technology” age that started in the 1980s, which really started taking off just after the Year 2000.

This is the “digital” age that did not exist in 1969 when the moon landing allegedly happened. Everything was analog back then.

I was recently having a discussion with someone who is in their 80s, and whose profession was in communications and electronics before he retired. He was a young adult when this happened in 1969.

I asked him how it was possible that we could have had this technology back in 1969? He was quite sure we did, as everyone watched it “live” on TV.

So I asked:

I have done some video production over the past couple of decades, and it takes about 30 frames per second (fps) to create a smooth video, although you can make do with about 15 fps to get a video that is still clear enough to watch, although maybe more choppy.

But none of this technology was available back in 1969, so how in the world did they broadcast video feeds from the moon all the

He admitted that he did not know, but it did not seem to affect his belief.

I do think that there was an event that was filmed and broadcast to the American people in 1969 as a landing on the moon, but I can almost guarantee you that it was NOT filmed up on the round object in the skies that cycles through every 30 days which is also called "the moon."

Here is a documentary that claims to expose how the moon landings were filmed. **WARNING:** Some coarse language used.

Many trace the history of NASA to *Operation Paper Clip*, which was the program that brought Nazi scientists from Germany to the U.S. after World War II, which then founded the CIA also.

10 Masonic Ritual Connections To The Apollo 11 Moon Landing

Today, here in 2023, the primary mission of the Freemason NASA agency is the **Artemis Program**, and the alleged goal of returning man to the moon, as well as Mars.

The Artemis Program, as well as the new U.S. Military branch **Space Force**, was started by [Freemason Donald Trump](#) during his presidency.

The Artemis program is a robotic and human Moon exploration program led by the United States' National Aeronautics and Space Administration (NASA) along with six major partner agencies—the European Space Agency (ESA), the German Aerospace Center (DLR), the Japan Aerospace Exploration Agency (JAXA),

The Artemis program is intended to reestablish a human presence on the Moon for the first time since the Apollo 17 mission in 1972. The main parts of the program are the Space Launch System (SLS), the Orion spacecraft, the Lunar Gateway space station, and the commercial Human Landing Systems.

The program's long-term goal is to establish a permanent base on the Moon to facilitate the feasibility of human missions to Mars.

The Artemis program is a collaboration of government space agencies and private spaceflight companies, bound together by the Artemis Accords and supporting contracts.

As of September 2023, twenty-nine countries and one territory had signed the accords, including traditional U.S. space partners (such as the European Space Agency and agencies from India, Canada, Japan, and the United Kingdom) and emerging space powers (such as Brazil, South Korea, Mexico, and the United Arab Emirates).

The Artemis program was formally established in 2017, during the Trump administration. ([Source.](#))

I have recently introduced to our readers just who "Artemis" is, as she is one of the highest ranking demons serving Satan, known in the Old Testament as a "fertility god" most often referred to as "Ashtoreth."

Illustration of the Temple of Artemis in Ephesus.

During the New Testament times in the First Century, she was referred to as "Artemis," and she lived in the city of Ephesus at the time. Her temple was reportedly one of the "7 wonders of the world" at the time, as people traveled to Ephesus from all over the world to see it, as it was a source for "healing".

When Paul traveled there to preach the Good News about Jesus, it produced a major disruption to the city's economic system which was built around Artemis.

About that time there arose a great disturbance about the Way. A silversmith named Demetrius, who made silver shrines of Artemis, brought in no little business for the craftsmen.

convinced and led astray large numbers of people here in Ephesus and in practically the whole province of Asia. He says that man-made gods are no gods at all. There is danger not only that our trade will lose its good name, but also that the temple of the great goddess Artemis will be discredited, and the goddess herself, who is worshiped throughout the province of Asia and the world, will be robbed of her divine majesty.”

When they heard this, they were furious and began shouting: “Great is Artemis of the Ephesians!” Soon the whole city was in an uproar. (Acts 19:23-29)

Ephesus lies in ruins today in modern day Turkey, but as I recently wrote, it appears Artemis has now moved to the U.S. under the name “Columbia.” See:

Is the Spirit of Columbia the Head Demon Over the United States? Is this Demon Referenced in Biblical Prophecy?

Throughout the New Testament Scriptures, “outer space” is referred to as “the heavens,” with the angelic and demonic forces that live there referred to with English words like “authorities”, “powers”, etc.

Put on the full armor of God so that you can take your stand against the devil’s schemes. For our struggle is not against flesh and blood, but against **the rulers**, against **the authorities**, against the **powers of this dark world** and against the **spiritual forces of evil in the heavenly realms**. (Ephesians 6:11-12)

These demonic powers were apparently laughed at and mocked by Jesus Christ, after he died the physical death, and then walked out of his tomb three days later alive.

all our sins, having canceled the written code, with its regulations, that was against us and that stood opposed to us; he took it away, nailing it to the cross.

And **having disarmed the powers and authorities, he made a public spectacle of them**, triumphing over them by the cross.
(Colossians 2:13-15)

Every one of these demonic powers and authorities, including Satan himself, are now “subject” to the rule of Jesus Christ, who will return soon to execute judgment against them as they have already been ruled “guilty” in the heavenly court of justice.

Jesus Christ... has gone into heaven and is at God's right hand— with angels, authorities and powers **having been subjected to him**. (1 Peter 3:21-22)

And as a side note here, since this is NOT the topic of this article, the Greek words used in the New Testament here for “*authorities and powers*” as well as “*subjected to*”, are the same Greek words used in Romans Chapter 13, which most Zionist Christian Pastors and Teachers use to justify submitting to the U.S. Government, such as they did during COVID.

Let every person **be subject** to the governing **authorities**. For there is no authority except from God, and those that exist have been instituted by God. Therefore whoever resists the **authorities** resists what God has appointed, and those who resist will incur judgment. (Romans 13:1-2)

And while I am not claiming that there are not applications to human civil government in this passage, it is very frequently used wrongly by Zionist Christians to convince people to always obey and submit to human government officials.

But this is clearly NOT what was intended with verses like this, as not even the New Testament writers who wrote this, always obeyed the civil government authorities, but constantly resisted them and were often jailed for their resistance.

Jesus is our BEST example of how to resist government authorities, as he frequently broke their laws when he walked this earth in human form. See:

[Jesus Repeatedly Broke the Law and Told Others to do the Same Thing – The Biblical Basis for Righteous Resistance](#)

Here is some more information on the Freemason "Artemis Accords" that [currently has a \\$53 BILLION budget](#).

On 5 May 2020, Reuters published an exclusive report that the Donald Trump administration was drafting a new international agreement for mining on the Moon, which would draw from the 1967 Outer Space Treaty.

Ten days later, then-NASA Administrator Jim Bridenstine officially announced the Artemis Accords, a series of agreements with partner nations aimed at establishing a governing framework for exploring and mining the Moon.

The Accords originated from the eponymous Artemis Program, an American plan launched in 2017 to send the first woman and the next man to the Moon by 2024. Bridenstine stated that the agreements were intended to create a uniform set of guidelines for countries to avoid potential conflict or misunderstanding in future space endeavors; governments that sign the Accords may formally take part in the Artemis Program.

The Accords were drafted by NASA, the U.S. Department of State, and the newly re-established National Space Council; a draft was released to several governments for consultation before the final document was announced in May 2020.

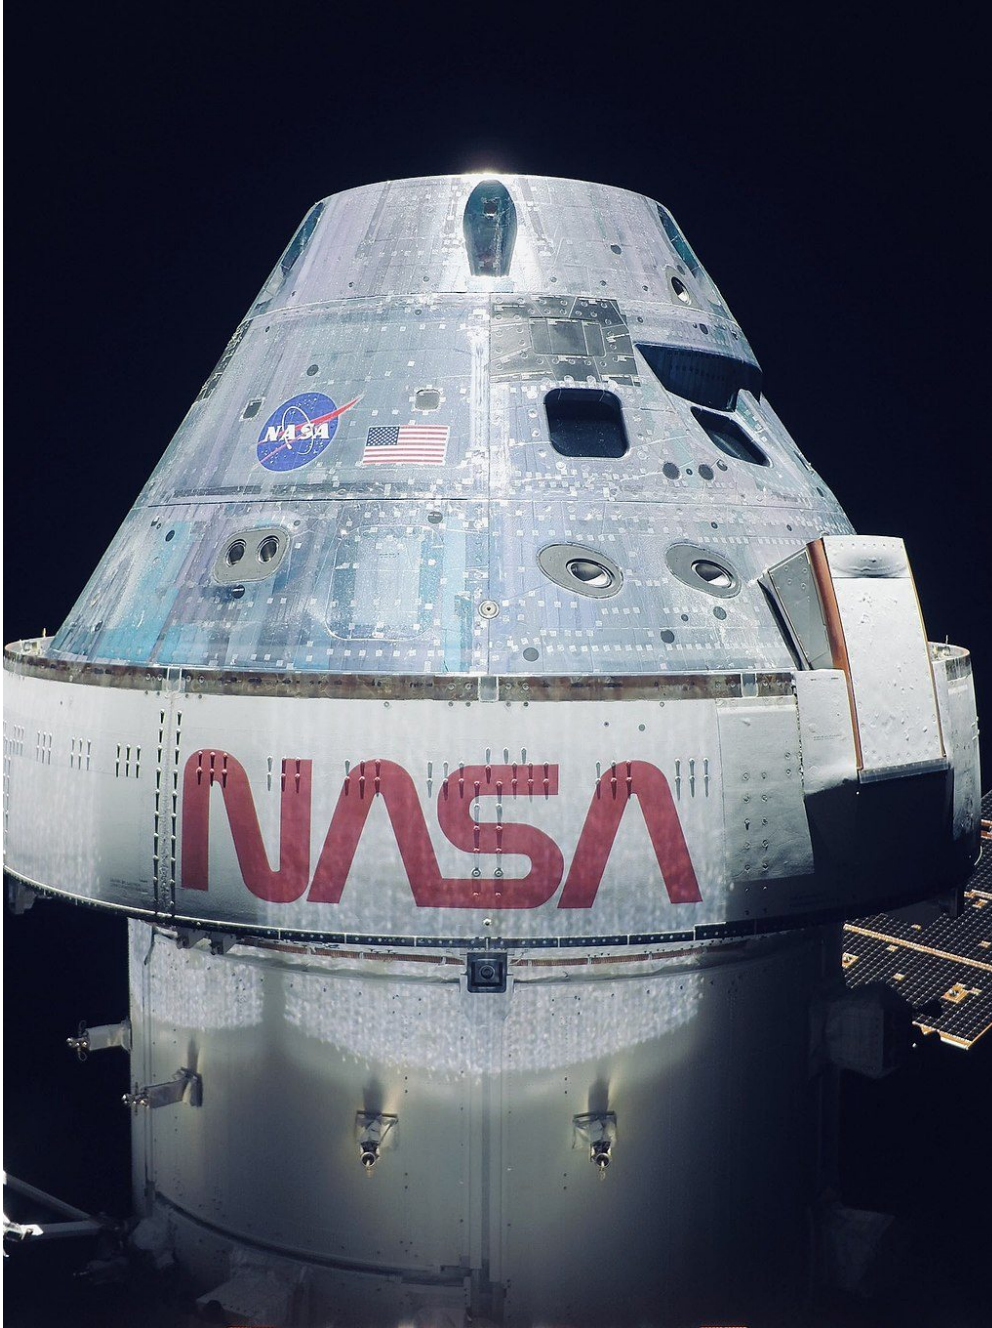

On 13 October 2020, in a recorded and livestreamed ceremony, the Accords were signed by the directors of the national space agencies of the United States, Australia, Canada, Japan, Luxembourg, Italy, the United Kingdom, and the United Arab Emirates. The head of the Ukrainian national space agency signed the Accords exactly one month later.

The Artemis Accords is a non-binding multilateral arrangement between the United States government and other world governments participating in the Artemis program, an American-led effort to return humans to the Moon by 2025, with the ultimate goal of expanding space exploration to Mars and beyond.

The Freemason *Artemis Program* will obviously further enrich the U.S. Defense Contractors who have already been building weapons of war, including aircraft and energy weapons.

The Orion spacecraft made by Lockheed Martin (pictured above) is one of the new Artemis spacecrafts, as will also be Elon Musk's SpaceX rocket **The Starship**, "*the world's tallest and most powerful rocket*", which may attempt its second test launch later this week.

Many events have happened in the past few years that could be interpreted as all related, heading towards a final climax that could fulfill Biblical prophecy, as the U.S. has been the center of Freemason activity since our founding, being the Satanic Freemason center of the world since it was founded in 1776. See:

The *Great Reset* is most certainly coming, and the U.S. is showing its true colors now by openly using the names of Satanic high-ranking demons like “Artemis” for a “Space Program” that has nothing to do with space exploration, and everything to do with death, war, and weapons of mass destruction.

Most of these programs were started under Donald Trump's presidency, with not only the formation of the **Space Force military branch**, the **Artemis Freemason Space Program**, but also the “*Operation Warp Speed*” military operation that murdered and crippled millions of Americans, decimating most of our military.

If this demonic, [criminal pedophile](#) is put back into power with the support of most of the American public, particularly the Zionist Christians, we could actually be seeing the rise of the Biblical Anti-Christ.

When he opened the sixth seal, I looked, and behold, there was a great earthquake, and the sun became black as sackcloth, the **full moon became like blood**, and **the stars of the sky fell to the earth** (satellites and space craft??) as the fig tree sheds its winter fruit when shaken by a gale.

The sky vanished like a scroll that is being rolled up, and every mountain and island was removed from its place.

Then the kings of the earth and **the great ones and the generals and the rich and the powerful**, and everyone, slave and free, hid themselves in the caves and among the rocks of the mountains, calling to the mountains and rocks, “Fall on us and hide us from the face of him who is seated on the throne, and from the wrath of the Lamb, for the great day of their wrath has come, and who can stand?” (Revelation 6:12-17)
