## The Entire HOLOHOAX Narrative Is Nothing But A Lie

**SOTN Editor's Note:** This is a very personal issue for me because as a Finance Officer in the U.S Army I deliberately requested an assignment in Germany in the early 1980s. I did so because I was on a very serious lifelong mission to find out what World War II was really all about, especially 'The Holocaust'. My fiancée at the time was born to parents who were born and bred in Germany and who had relocated to the USA. Long story short, my tour of duty in Kaiserslautern, West Germany reads like a Jason Bourne novel whereupon I was eventually incarcerated in a mental ward at the U.S. military's Landstuhl Regional Medical Center and drugged against my will. That confinement took place immediately after a German civilian, who was assisting me in my intensifying research project about 'The Holocaust', gave me a very thick binder which contained an original photo of the top 100 leaders of the Third Reich, each with a highly detailed dossier of highly confidential information on the back side. The photographs were taken by Adolph Hitler's personal photographer. Eventually, I was eventually shipped to Walter Reed Medical Center in Washington, D.C. — alone on a C-130 — and put under constant observation for 6 months while being subjected to various forms of mind-bending psychoactive drug 'therapies'. So, in that way, I was not quite as lucky as Jason Bourne. Read more here: [OPERATION BABY BOOMER: The Khazarian Con of the 20th Century](#)

**KEY POINTS:** What made that binder of dossiers such a radioactive acquisition is that it proved that there was never a *Final Solution* to exterminate the Jews; rather, that there was a highly organized scheme to trick Ashkenazi Jewry across Europe to flee to the Zionist State of Israel. Furthermore, that my possession of such an "ultra-classified" set of documents meant that I was not just an American officer intensely interested in 'The Holocaust' as an intellectual curiosity; rather, that I was some sort of a secret agent working for a well-hidden master or subversive group. And, my "One Flew Over The Cuckoo Nest" experience in the Landstuhl psych ward clearly bore this out.

More to the point of this crucial exposé: ‘The Holocaust’ as we were taught in America simply never took place. In point of fact, the entire patently false narrative was initially fabricated to scare the bejesus out of all the Jews living in Europe so they would mass migrate to the Zionist State of Israel, which they did. Having spent much time in many a German gasthaus eating wiener schnitzel, pommes frites and drinking beers with older Germans I came to find out that there were no death camps anywhere in occupied Europe. They were all set up as labor camps — **NOT CONCENTRATION CAMPS** — designed to squeeze slave labor out of its inmates—inmates of every race and religion, nationality and political persuasion, not just Jews. Then, toward the end of WW2, when food and medicine became scarce and supply lines broke down throughout German occupied territories, those labor camps were the first to experience rapidly deteriorating conditions which led to the death and sickness of many. In other words, the Jewish inmates were never deliberately killed by anybody as they were way too precious to the well-concealed Zio-Nazis at the very top of the Nazi leadership who wanted them all shipped to the soon-to-be-established Modern State of Israel. End of story.

*Isn't the 10/7 absurd hoax and naked false flag op exactly like 'The Holocaust' that never took place the way it has been carefully narrated by the Zionist-controlled mainstream media. As if Nazi Germany would have ever mass murdered 6,000,000 million Jews when the Wehrmacht desperately needed their slave labor in those work camps to keep their war machine operating. Even the most authoritative historians have proven that not even 60,000 Jews died in the HoloHoax ... and that those who did die passed away in the very same way along with everyone else in those mislabeled concentration camps—from starvation and malnutrition, typhus and typhoid fever, diphtheria and suicide, etc.*

N.B. SOTN did not write the following exposé but has confirmed many of the facts after performing 40 years of deep research into the utterly absurd *HoloHoax* narrative. I knew that I was over the target, and way too close for my own safety's sake, the very day that I was abruptly and without any explanation shuttled into the main mental ward in USAREUR. Truth like that is as dangerous as it gets when considering all that has taken place in the world since 1980.

## The Holocaust Truth

Living in the modern age, death for virtue is the wage.  
So it seems in darker hours. Evil wins, kindness cowers.

Ruled by violence and vice We all stand upon thin ice.  
Are we brave or are we mice, here upon such thin, thin ice?

Dare we linger, dare we skate? Dare we laugh or celebrate,  
knowing we may strain the ice? Preserve the ice at any price?

### [Their 6,000,000 Never Existed – Started 18 years before Hitler assumed power](#)

Jewish propagandists have entirely reversed the reality of the situation using their control of the media, and have blamed the Germans for starting the war and committing all the alleged atrocities, when in reality the Germans and their allies were the most disciplined, honorable and righteous forces fighting in that fratricidal Jewish-instigated war. The German people and their allies were the ones who experienced a genuine holocaust – a real genocide – during WWII, not the Jewish population of Europe.

The simple fact of the matter is that the “Holocaust” narrative – 6 million Jews persecuted, abused, and systematically exterminated by “those evil Nazis” during WWII – endlessly promoted and perpetuated by the Jewish-owned mass media, Hollywood and “entertainment” complex, and educational and political establishment is 100% bogus in virtually all respects. The Germans simply wanted the Jews out of Germany, clearly and correctly recognizing them as an alien, hostile and treacherous force working to subvert, pollute and destroy the German nation and Western civilization.

The alleged genocide of European Jewry has been used to justify the genocidal Allied war effort, to establish the rogue-terrorist State of Israel, to justify Israeli violence against its neighbors, to induce guilt in both Germans and the Allied nations, to cover up and ignore Allied crimes against Germans, to allow Jews to receive massive reparations from Germany, and to create solidarity in the Jewish community. The extreme importance of the Holocaust story in advancing Zionist/Jewish interests ensures that this falsification of history will continue in the future.

Jews have made questioning the details of the so-called Holocaust a criminal offense, with fines and imprisonment, and doing this has only hurt their credibility and soured many against their official narrative. The truth does not need laws to enforce it, only lies do, and the stupidest thing the Jews could ever have done – and want to do in America – is criminalize not believing their improbable narrative. It is their “education” that has created doubters, which is why it continues to fail.

The Jews invented the Holocaust partially to help distract people from what the JEWS did to the Russians/Germans/Ukrainians. Instead of appearing as the most criminal oppressors, the JEW planners of all wars and the real bosses controlling our countries, are now considered “poor innocent victims” that we should never criticize.

Free yourself from the power of a lie designed to render you impotent. By instilling unwarranted guilt and shame upon humanity via the “holocaust”, humanity is rendered incapable, or at least very hesitant, to criticize, much less interfere with, any of the designs of Jews or their nation of Israel. The “holocaust” is also an ongoing cash cow for Jewish “holocaust survivors” through the collection of hundreds of billions of euros from Germany, and elsewhere, as WWII reparations that continues to this day.

No one can deny that Jews were rounded up and imprisoned by Germans in German occupied territories after the suspension of the HAAVARA TRANSFER AGREEMENT during WWII. Nor can anyone deny that Japanese Americans were rounded up and imprisoned in America for the same reasons, those reasons being primarily security issues, and in the same fashion during WWII. And, after examining the facts, the German prisons built for Jews were far more humanely accommodating than the American prisons built for Japanese.

What is staunchly denied is the existence, much less the use, of homicidal gas chambers, the manufacture of human skin lampshades, the manufacture of human derived soap, institutionalized torture all conducted at “death

factories” where 6,000,000 Jews were gassed and cremated and other outright lies disseminated by vindictive and vengeful Jews.

Indeed tens of thousands (The International Committee of the Red Cross reported: 272,000 concentration camp inmates died in German custody, about half of them Jews) of imprisoned Jews died during the last months of WWII due to disease, especially typhus, and starvation. After all, as the fortunes of war turn against the losing side, food and medicine become extremely scarce... and deadly scarce for those imprisoned by the losing side due to the ruination of food production, medicine manufacturing, and transportation supply lines. Germany was carpet bombed and firebombed into the stone age during the last year of WWII (a totally merciless war conducted by three Jewish controlled empires against a country the size of Montana).

Indeed there were crematoriums working overtime as a means of sanitarily disposing of disease ridden corpses, but these were built during the last year of the war and never was a living person burned alive in one as JEWS would have you believe.

15:01

“For example, the term “Holocaust” is used without regard to its true meaning. Rabbi Antelman states that well before World War Two, the term meant “burnt offering” as in sacrifice. (p.199)

He quotes Bruno Bettelheim who says “calling the most callous, most brutal, most horrid, most heinous mass murder a ‘burnt offering’ is a sacrilege, a profanation of God and man.” (205)

Whose sacrifice was it? For what purpose? Obviously, it has something to do with the Sabbateans’ occult practice. Every time we use that word, we unwittingly join in their sacrilege.”

## SECRET RELATIONSHIP BETWEEN NAZISM AND ZIONISM

Hitler in office Jan 1933 had immediate goal of finalizing the 'Haavara' (moving home) Agreement with World Jewish Agency (active to 1942). Hitler's Treasury paid for emigration of Jews saving the World Jewish Agency from Bankruptcy with 139,6 Million Reichsmarks + Far more spent on equipment & fuels sent to Palestine for Jewish settlers.

Why you have to believe in the holocaust:

If you don't believe in the holocaust, you can't argue Hitler was the most evil human to ever exist.

If Hitler isn't the most evil human ever, there is no reason not to look into fascism and National Socialism as plausible ideologies.

If you look into fascism and National Socialism as plausible ideologies, you might find they had similar complaints to yours today.

If you find similarities between their complaints and yours, you might find similarities in who is causing the problems.

Which is why you have to believe in the holocaust as the underpinning of morality for our entire society

HoloCaust Necessity

# The Hoaxacaust

By Eli James

In my 25 year career as an Identity teacher, I have spent a great deal of time and effort in exposing Jewish lies. The full scope and intent of Talmudism (Judaism) cannot be appreciated without a complete study of their historical and contemporary lies. Judaism is the religion of lies and deception. All you have to do is to compare the Laws of Moses to what the Jews actually teach and do, and you will see that they always do the opposite of what Moses and the Bible command. {"By their fruits shall ye know them." — Matt. 7:20} The Mosaic Law forbids usury. The Jews have always been its foremost practitioners. The Bible says debts are to be forgiven every seven years (Deut. 15:12) and that a national proclamation of debt forgiveness is to be made every 50 years (Lev. 25). That is called the "Jubilee." The Jews have yet to declare such a biblical debt forgiveness in their history. They always collect or foreclose. The Bible says that you shall not execute judgment until both sides of an issue have been disclosed. (Prov. 18:13) The Jews are always engaging in pre-emptive military strikes. In one case, an accused civilian Palestinian was sitting in his wheelchair when an Israeli missile was fired at him. He never received his day in court. The Jews have the world's most glaring double standard. Just witness their pro-immigration stance in the USA versus their "Jews only" policy in "Israel." Likewise, Jews are always agitating against Christmas displays while they flaunt the Menorah and Star of Solomon during Hannakuh. And, of course, they don't complain that the Israeli State's official religion is Judaism. In America, they are very concerned about "separation of church and state." In Kikestan, the rabbis' religion is the State Religion. The list of Jewish hypocrisy is a mile long; and the rabbis contribute more hypocrisy to it every day.

It is important that we understand that Judaism is a chauvinistic enterprise which has deceived the world into believing that they are "g-d's chosen people." This is the very lie that has "deceived the whole world." (Rev. 12:9, 13:14) It is important to look at the Hoaxacaust in the light of this 2,000-year record of hypocrisy, lies and posturing as Israel. As far as I am concerned, this hoax is just more of the same. A Jew is a liar by religion and a thief by trade. He is taught to take advantage of non-Jews in every possible way. Every year, they recite their "Kol Nidre" prayer, which is an homage to their father of lies. The Kol Nidre declares all of their oaths to be invalid for the coming year. The Jews are the con artists and the rest of the world provides the suckers. But their house of cards is beginning to show signs of collapse, as more and more people around the world perceive the brutality of Zionism and the undue influence of the Jews in media, banking, politics, publishing, etc.

It is absolutely necessary that the so-called holocaust is presented in its true light, so that people can understand why and how the holocaust mythology came about and why it continues to this day. Of all modern Jewish lies, the holocaust is the most gigantic. Anyone who has taken even a modest amount of time to investigate the holocaust industry's absurd claims finds that there is no substance to them whatsoever. Let me say at the outset that the hysterical charges of making soap from human fat and using human skin to make lampshades were part of the anti-German wartime propaganda of World War I. All of those claims were proven to be false and many anti-German journalists were forced to admit it and apologize for their lies after that war. But non-Jewish human beings have very short memories. These absurd claims were dredged up again as part of World War II propaganda, only this time there were no apologies.

The most significant work on this subject is the book, *The Hoax of the Twentieth Century*, by Arthur A. Butz. No rebuttal of this book has ever been made, nor will one ever be attempted, because the facts documented in that outstanding piece of research are indisputable. Again, we are faced with a situation in which we are forced to

choose between Jewish lies and historical facts. Instead of public debate, organized Jewry exerts pressure on venues and on individuals to prevent free and open discussion of the facts. In countries other than America, where they don't have a First Amendment, critics of the hoax are prosecuted and sent to jail merely for expressing their opinions. This is tyranny, plain and simple.

Dr. Robert Faurrison, commenting on the show trial of Ernst Zundel in Germany, said recently, "The Zionists want to impose the religion of the alleged 'Holocaust' of the Jews on the whole world. It is normal that Jews and Zionists should seek to foist such an imposture on us, for it is the sword and the shield of the Jews in general and of the Jewish State in particular. The Jews' power stems directly from the Western world's near-total belief in the phenomenal lie of the 'Holocaust.' You needn't look any further. The Jews do not tolerate any questioning of the 'Holocaust.' Against the revisionists they use physical violence and judicial repression because, on the level of historical and scientific argumentation, they have been defeated hands down by the revisionists. We have been able to expose their lies, one by one. Therefore Jews and Zionists seek refuge in violence and intimidation. They treat revisionists like Palestinians." (Nov. 2, 2005, American Free Press)

Since the subject of the holocaust is so vast, only a certain amount of space can be afforded it, therefore, I have chosen 39 historical facts — one for each whiplash that the Pharisees administered to the back of Jesus Christ — all of which are evidence against the holocaust. The one and only piece of "evidence" which the holocaust industry has ever produced is the Hitler memo which includes the expression, "final solution." This expression, in true Hollywood and Jewish fashion, is exploded all out of proportion and our imaginations are encouraged to run wild with the bait. What Hitler meant by the "final solution" was the removal of the Jews to the island of Madagascar: a steady deportation to a place where the Jews could do little harm. The final solution was deportation, not "death camps." And there were no death camps.

This, and everything else that the holocaust industry has ever come up with, is nothing but hearsay, lies, forged and doctored evidence. This is an indisputable fact: THERE IS ABSOLUTELY ZERO FORENSIC EVIDENCE TO SUPPORT THE HOLOCAUST. The idea is fabrication from beginning to end. That is why no public debate can be allowed.

Recently, I appeared on the Dr. Rebecca Carley show, she provided me with a fortieth lash against the hoaxacaust, when she said, "If the Nazis were going to gas all those Jews after they got off the boxcars, why did they bother to tattoo them?"

When we start asking simple questions like this, instead of believing the lies of the Synagogue of Satan, everything falls into place.

The Thirty-Nine Lashes Against the Hoaxacaust

Consider the source. All of the “evidence” presented at the Nuremberg trials came from two sources: Communists and Zionists. Neither of these groups could be considered impartial. All communists are liars; and all Zionists are tyrants who believe that critics of Zionism should have no public say. Many of these people, such as Leon Trotsky and David Ben-Gurion, were both communists and Zionists! Since the myth-makers cannot prove their contentions in an open, public, discussion, the only choice they have is to quash dissent by making “questioning the holocaust” a crime in every country in the world, except the USA, where freedom of speech is hanging by a thread.

2.) Zyklon B delousing gas was just that. In the days of World War II, typhus was a scourge which was transmitted by fleas and lice. Zyklon B was the treatment given to all prison internees, no matter what their religious background, because typhus had to be controlled. The claim that it was used to poison people is absurd because it was highly flammable. To use it for the purposes described by the hoaxers would have put all of the camp facilities at risk of fire and explosion. Signed confessions, extracted by Jewish and communist interrogators, say that the dead bodies, after death by gassing, were extracted by workers who were “drinking and smoking.” Rudolph Hess signed such a document, which was written for him. Hmm. Would you turn the gas on in your oven without lighting it, wait a while, and then walk into the room with a lit cigarette in your mouth? Obviously, the hoaxers had little technical knowledge when they made their ridiculous claims. In addition, the manufacturer of Zyklon B gas stated that, due to the adhesive qualities of the gas, it would require a 24-hour ventilation period before anyone could safely enter a room which had been used for such a purpose.

In addition, shaving heads was necessary in order to remove the breeding grounds of the lice.

3.) Killing six million people and disposing of their bodies is no small order for an army trying to conduct a war. Can you imagine the waste of fuel and other resources that would otherwise go to the war effort? Of the thousands of reconnaissance photos available from World War II, why are there no pictures of the fuel tanker convoys which would be needed to deliver the fuel for the crematoria? Why are there no pictures of the smokestacks, which were supposedly belching smoke day and night? The reality is that the Germans could hardly afford to waste fuel for such a purpose. Everyone agrees that the Germans kept tremendous records for efficiency and documentation purposes. Where are the records of these fuel shipments?

Think, think, think, you gullible Christian! The Zionists are laughing at you!

4.) Auschwitz, one of the largest concentration camps, had only about twenty ovens in its crematory. The crematoria at the various concentration camps were very crude and required lots of fuel and many hours to consume one body. One researcher has calculated that, given the exact number of ovens available and hours per body, the ovens would have to be going day and night from the War's beginning until 1975 before that many bodies could be cremated, Are you beginning to comprehend the absurdity of such a claim? Yet, it is repeated by the Zionist-dominated bias machine on an almost daily basis and it is force-fed to our school children at taxpayer expense and Zionist urging.

5.) If the bodies were not cremated as many hoaxers suggest, then where are the skeletons of all these bodies? Surely a few dozen would have turned up by now. Or did the Germans find some super-secret body disposal system that no one yet knows of?

6.) Would the Germans go out of their way to provide fuel for the crematoria when their airplanes and tanks were desperately in need of fuel? Not once have I heard anyone accuse the Germans of being stupid. Toward the end of the war, the Germans lost battles because lack of fuel. Would they be so stupid is to redirect fuel to the camps for “the ovens” when battles are at stake?

7.) Jews were singled out for special interrogation because so many of them were communists. The camp directors had to determine whether these Jews were harmless or dangerous – whether they would make reliable workers or just be troublemakers. Those who were determined to be useful workers were allowed many privileges, including the formation of orchestras. If the Jews were automatically gassed (killed), how would any of these privileges be considered, let alone established? The mere fact that there are so many Jewish survivors of concentration camps is evidence against the hoax.

8.) During the entire length of the War, the International Red Cross had constant access to the concentration camps. They delivered mail and packages containing food and clothing. The International Red Cross, despite this constant presence, never once filed a complaint or report about “the ovens of Auschwitz” or any other camp. It truly begs credulity to think that not a single Red Cross agent ever became suspicious, unless, of course, there was nothing to be suspicious about.

9.) The Nuremberg trials were conducted by the OSS (Office of Strategic Services, forerunner of the CIA) at the behest of the Zionist International. The Israeli State did not yet exist. The vast bulk of “evidence” was provided by the pro-Zionist Soviet Union. Neither of these two organizations could possibly be considered fair or trustworthy. Again, consider the source.

10.) Confessions were obtained under duress and torture. “It was this same War Crimes Branch which itself administered the nightmarish trials at Dachau, where prisoners were beaten, kicked, starved, and brutalised by Jewish-American jailers.” – Richard Harwood, from *Nuremberg and Other War Crimes Trials*, p. 14. In true gangland style, the accused were told that their family members would be hurt or killed if they did not cooperate. Techniques of interrogation included beatings, starvation, testicle smashing and other forms of torture. The German prisoners were often so badly beaten that they could not be brought into the courtroom for fear of demonstrating their adverse treatment. The State of Israel today continues to use torture and murder as part of their terrorist campaign. Amnesty International has repeatedly cited the Israeli State for such violations of human rights.

11.) There were no more than 4 million Jews living in Nazi-occupied territory during the War. Most Jews had left Germany before the war started. As the Nazi army advanced, the Jews fled rather than be captured. On June 30, 1965, the West German government announced that 3,375,000 Jewish “holocaust survivors” had applied for reparations. Now, if we subtract 3,375,000 from 4,000,000, that leaves 625,000 unaccounted for. If we take 625,000 and add a zero to the figure, we arrive at the fictitious and truly fantastic six million lie.

12.) According to the World Almanac of 1947, the world population of Jews in 1939 was 15,688,259. These figures were supplied to the Almanac by the American Jewish Committee. Then, the Jewish-owned New York Times of Feb. 22, 1948 listed the Jewish population in Palestine as 600,000 to 700,000; and for the rest of the world, the Jewish population is listed as 15,600,000 to 18,700,000. If we add the two lower figures together, we get a minimum total of 16,200,000 Jews world-wide, which is still a net increase in the world Jewish population of at least 500,000. If six million Jews had really died, then the total should have been 10,200,000.

But since the whole six million myth was just in the process of being fabricated by the world Zionist propaganda machine, these accurate figures came out before the hoaxocaust could be subtracted from the equation. Considering the fact that populations generally decrease during times of war – which it most certainly did for the German people and other nationalities – it is quite astounding that the Jewish population actually increased during this time. The fact is that the vast majority of Jews simply relocated to other parts of the world: Palestine, Russia, America, South America, etc.

13.) According to a pamphlet by Dr. E.R. Fields, entitled *Was There Really a Holocaust?*, the Red Cross reported in 1946 that of registered Jewish camp inmates, no more than 300,000 could have died. In item #11 above, we were willing to grant that possibly 625,000 were unaccounted for. If half of them died in the concentration camps and the other half died or disappeared to some other country, then our figures agree.

14.) Heinrich Himmler, Chief Commandant of the Concentration Camps, issued an order, dated Dec. 28, 1942, stating: "The death rate in the concentration camps must be reduced at all costs." – from Reitlinger's book, *The Final Solution*. Ladies and gentlemen, the Germans were fighting a war, and they needed the productive capacity of the inmates of the camps to produce war material. An extermination policy would have shifted vital resources away from production to waste. Isn't this holocaust claim incredible just from this consideration alone?

15.) One of the Nuremberg documents, a letter of April 10, 1943, was issued by Oswald Pohl, the head of the Economic Administration of the concentration camps. After addressing the above-cited order by Himmler, the mortality rate of the camps had been reduced from 8.5% in July, 1942 to 2.8% in June, 1943. Given an extermination policy, why would there be any concern for mortality rates?

16.) Numerous claims of the hoaxers have been amended over time because the claims were obviously exaggerated or invented. In April 1975, Simon Wiesenthal of the Los Angeles Holocaust Center was forced to admit in the paper, *Books and Bookmen*, "No gassing took place in any camp on German soil." At that time, Auschwitz and other camps were still in the possession of the Soviets, who would not allow serious researchers into these camps to validate holocaust claims. We expect that, with full disclosure, Mr. Wiesenthal will be forced to admit that no gassing ever took place in any camp.

17.) The Red Cross interviewed thousands of freed camp inmates at the end of the war. When asked if they witnessed any alleged "gassings," the response was negative. From Red Cross document #9925, June, 1946, the entry states: "The detainees themselves have not spoken of them." How can you gas six million Jews and nobody notices?

18.) Photos of emaciated bodies, both alive and dead, are not proof of an extermination campaign. The fact is that toward the end of the war, the Allies were bombing railroads and roads to the point of obliteration. This meant that valuable food, medicine, Red Cross packages, and other supplies were no longer reaching the camps. This was the real reason for the malnutrition, not to mention the serious side effects of malnutrition, which would be an increase in all types of disease.

The same thing happened in America during the Civil War. Northern prisoners in the Southern camp of Andersonville were also emaciated to the point of being only skin and bone. The commander of the camp, at his trial, said that he simply had no supplies with which to feed the inmates and he was not allowed to set them free. Pictures of these prisoners could easily be substituted for WWII inmates and no one would know the difference.

One thing we know for sure: The Jews are good at writing captions.

Please note that the published photos of concentration camp inmates show mainly and some overfed people lining up for the showers. All of the photos of dead bodies being bulldozed show emaciated bodies. If they were gassed and killed immediately, as the hoaxers claim, there would be some photographic evidence of well-fed people being bulldozed into graves. There is none.

19.) In 1943, the SS arrested Buchenwald Commandant Karl Koch for mistreating and executing prisoners. He was found guilty by SS Judge Konrad Morgan and was executed for his crimes. If there were an extermination policy in force, would they bother trying and executing Commandant Koch? Again, these were work camps designed to

assist the war effort. An extermination policy would have required tremendous resources and effort. It would have disrupted the crucial work that was going on and it would have risked undermining the war effort.

20.) Cremating 6,000,000 bodies in order to dispose of the evidence would have left 15,000 tons of ashes. No such volume of ashes was ever found, and no air reconnaissance ever revealed enormous clouds of smoke, and certainly there was never any such total of bodies found. It is only when one considers the enormous lack of evidence of a holocaust – all the physical matter that would have been left over from such a campaign (six million corpses?!!!!) and the sheer magnitude of such an undertaking – then the hoax becomes obvious. It is only the hoaxers themselves and those who have not really thought about the physical details who believe in this tragic farce.

It is quite probable that the Germans did not have enough fuel to consume anywhere near that amount of bodies. One of the hoaxers, Mr. Henri Michel, editor-in-chief of the *Revue d'Histoire De La Seconde Guerre Mondiale*, exclaimed of Auschwitz: "This camp was the most international and the most western of the death factories, and its soil is enriched with the ashes of 4,000,000 corpses." — p. 3. The dust cloud of crematoria smoke from such a volume of corpses would certainly have prompted some aerial reconnaissance photos, don't you think? Where is the evidence? Why is there not one single photo of the crematoria smokestacks belching out their tons of ashes?

21.) William L. Shirer, one of those authors who continued the hoaxacaust story in his book, *The Rise and Fall of the Third Reich*, was forced to admit in a footnote on the crematoria: "...the measurements are those which are standard for a crematory oven of not very modern design intended for small cemeteries, and would be unsuitable for mass burning." This footnote occurs on p. 972 of the German edition only. The rest of the world is still in the midst of the Zionist Dark Age.

22.) Thies Christopherson, a German soldier and author stated: "I was at Auschwitz! There was no gas chamber there." Now, remember, this man does not practice the religion of lies. His statement was proven to be true when, in 1960, Auschwitz was opened to tourists and no gas chamber could be found. What a disappointment this must have been for the tourists! Later, in order to make up for this communist oversight (they didn't have much experience at developing capitalist-style theme parks, like Disneyland), the Soviets built one themselves! No doubt, the money for construction was provided by some Zionist or rabbinical organization.

23.) The so-called Diary of Anne Frank was not written by Anne Frank at all. Photocopies of the supposed manuscript show two distinct styles of handwriting, one which is not handwriting at all but printing, and the other a very smooth handwriting angled at two o'clock. At least half of the manuscript was handwritten in ballpoint pen. The ballpoint pen, invented during WWII, was not commercially available until after the war. In addition, the American Jewish writer, Meyer Levin, sued Anne Frank's father and won an award of \$50,000 for his participation in the writing of "Anne Frank's" supposed diary. This fact was only brought to light because one Jew tried to cheat another.

24.) Although death by starvation and disease had increased toward the end of the war, the videos of huge piles of dead bodies in civilian clothing were most often footage which was filmed in Dresden. Dresden was devastated by the firebombing raids of the Allies on February 13 and 14, 1945. This was one of the greatest wartime atrocities in history, because Dresden had become, in effect, a large refugee camp for German women, children, wounded soldiers, and old men. Dresden was one of Germany's main artistic centers and had virtually no industry located in its vicinity. The Allies knew this and yet they bombed the city mercilessly for two nights, apparently to dispose of war ordnance which would otherwise go to waste, for Germany at that point was a defeated nation and the war was nearing its end. Why not kill as many unarmed civilians as you can? Who will know?

The German refugees thought that Dresden would be a safe haven because of its lack of industry. They were, sadly, wrong. They could not imagine that there would be such immense Zionist bloodlust in command of the U.S. and British military. You can imagine the horror of those who thought they would be safe in Dresden until the end of the war! The war criminals have successfully blocked out this war crime from the history books; but I am sure that Yahweh God will remember those who are responsible.

25.) The Nuremberg trials were an absolute farce. One of the most damning conditions of the trials agreed to by the Allies in the August 1945 London Agreement was “The Tribunal shall not be bound by technical rules of evidence. It shall adopt and apply, to the greatest possible extent, expeditious and non-technical procedure, and shall submit any evidence which it deems to have probative value.”

In other words, let's railroad these “war criminals” as quickly as possible, so we can go home and collect our medals. How would you like to be tried by a court which does not abide by “rules of evidence?” A mere technicality, you say? Can you see the kangaroos hopping around? Except, these kangaroos have hooked noses and wear yarmulkas.

26.) The fact that American Jews were allowed to be prosecutors and judges is a travesty in itself. The fact that many of them, if not all, were merely instruments of the Zionist International makes the entire proceeding suspect because of a lack of impartiality. No court would consider it impartial if an agent of the accuser were to be allowed to be a prosecutor or a judge. Yet, this is exactly what happened at the Nuremberg trials. Unfortunately, the American people were not aware of these shady Zionist dealings. They assumed, as people still assume today, that the Nuremberg trials were held in accordance to standard procedures.

Regarding the London Agreement, Harwood says: “...the same people who drew up the arrangements for Nuremberg promptly had themselves appointed as prosecutors and judges. Nikitchenko and Falco became judges. Jackson was American Chief Prosecutor, Fyfe was Deputy-Chief British Prosecutor. Thus, virtually the same people were judges, prosecution, and court.” –p. 14. And you were told that the Nuremberg trials were fair and impartial?

27.) Incriminating documents were simply fabricated by the Soviets. In his opening speech at the War Crimes Tribunal, Chief Prosecutor Robert H. Jackson appeared to be quoting from a document which he ascribed to Baron Werner von Fritsch, the pre-war Commander-in-Chief of the German Armed Forces. In fact, he was quoting from a typewritten document of unknown origin. No original document was ever produced. (You can imagine how many clerks and other military personnel were recruited by the Zionists, at U.S. and British expense, to produce “documents.” Oops! I shouldn't encourage you to use your imagination. There's been too much of that already! Even if you've only heard the Zionist version of these events, it would only be prudent to exercise some common sense and good old-fashioned skepticism before accepting their story without criticism. It seems that only the Jews routinely get away without scrutiny. Why is that?)

28.) Budd Schulberg, Jewish film producer, was recruited by the OSS to produce the photographic and film “evidence” at Nuremberg. Again, lack of impartiality at its worst. He received a military reward for his efforts. Surprising that he didn't get an Academy Award as well! The Jews of Russia (Khazaria), America, Britain and Israel were the prosecution, the judge, the jury, the newspaper reporters and the film crew. The poor, persecuted Jew has no influence at all! Why do the goyim hate him so?

29.) Paul Rassinier, author of *The Drama of the European Jews*, relates that many of the hoaxers, authors who had profited from the hoax, could not verify their claims. One author, Dr. Miklos Nyiszli, claimed to have been to Aushwitz but gave travel directions which made absolutely no sense. Professor Rassinier attempted to contact Dr. Nyiszli about such discrepancies and received from him a reply through a Mr. Tibere Kremer. As it turned out, Dr.

Nyiszli had long since died, so even the reply was a forgery. Says Dr. Rassinier: "...this dead witness – another one – was peculiar enough himself to write to me after his death. And so Mr. Tibere Kremer's silence is understandable. No further comment." – p. 41. This incident should give the reader an idea of the quality of the "evidence" which has been presented in the Hoaxacaust literature.

When faced with a mountain lies, at least some statements must be true, right? Not necessarily. It is quite possible that it is all fabrication.

30.) Prof. Rassinier's book is a detailed examination of Jewish populations in virtually every country of Europe, including Poland and Russia, from 1931 to 1945. According to Rassinier's statistics, in 1931 Europe had 9,777,500 documented Jews (figures from the World Center of Contemporary Jewish Documentation). The population that remained in these locations in 1945 was 4,250,000. The emigrants who left Europe altogether is numbered at 4,416,608. These people went to three main locations: Palestine (the Israeli state had not yet been created), Central Asia (Soviet Union) and the United States. So, the total, documented numbers of living European Jews in 1945, according to Rassinier, was 8,666,608. If we subtract the documented number of survivors from the documented pre-war population, we have a total of 1,003,392 unaccounted for. Of these, a certain number must have died from causes unrelated to the war. If we grant that half of them died from such causes, then we have a total of about 500,000 Jews who perished in the war. This is consistent with our previous totals from items 11 and 13.

31.) At the Nuremberg trials, Philip Auerbach, the Jewish attorney-general for post-war Bavaria was denounced by SS General Otto Ohlendorf. Auerbach had claimed the absurd figure of 11 million Jews having suffered in the concentration camps. "Ohlendorf lived long enough to see Auerbach convicted for embezzlement and fraud (forging documents purporting to show huge payments of compensation to non-existent people) before his own execution took place in 1951." – p. 10-11, *The True History of "The Holocaust," Did Six Million Really Die?* - by the Institute for Historical Review.

32.) It has been frequently reported by American prisoners of war that the Germans treated them much more humanely than the Japanese. The same is true for the civilian prisoners in the concentration camps. Many of these people were arrested for being communist spies. Hundreds of affidavits described the circumstances at the camps as "humane." "One Berta Schirotschin, who worked at the food service at Dachau throughout the war, testified that the working inmates...received their customary second breakfast at 10 a.m. every morning...The Polish underground leader, Jan Piechowiak, who was at Dachau from May 22nd, 1940 until April 29th, 1945, also testified on March 21st, 1946 that prisoners there received good treatment." –p. 21, *Did Six Million Really Die?*

33.) Elie Wiesel has a poor memory. According to the New York Times of Sunday, January 4, 1987, Wiesel recalled "the day the Soviets arrived at Auschwitz." Previously, in a speech to the National Press Club in Washington D.C., in April, 1983, Wiesel "noted that on April 15, 1945, he was one of the survivors liberated at Dachau by the U.S. Army." - Jewish Telegraph Agency, April 11, 1983. "Oy, vey! I remember it like it was yesterday" we can hear him sighing. Is this two lies or only one? Wiesel would have the distinction of being the only prisoner of war to be liberated from two different camps. Talk about bragging rights! The father of lies is truly proud of this weasel.

34.) In flagrant violation of the principle of freedom of speech, the Zionists impose their will on every organization they possibly can in order to prevent people from speaking out against the hoax. In Germany, it is against the law to deny the holocaust. Numerous people have been imprisoned for making public statements against the mythology. This fact should infuriate anyone who believes in freedom of speech.

35.) The holocaust industry makes millions of dollars every year promoting this holocaust trash. In literary circles, it is still a "hot ticket." Truth be damned. Money talks.

36.) The Soviets brought out a bunch of “human skin” artifacts and “human soap” (presumably dusting off the trunks from their WWI displays), but the Tribunal chose not to pursue the matter any further. Of course, the myth was dredged up by many other hoaxers. The so-called “Judischer Fett” displays have been quietly removed from the world’s various “holocaust museums.” With the advent of DNA testing, these bars of soap “made from Jewish fat” are, of course, subject to testing. I would suspect that an independent laboratory would find that these bars of soap were made from hogfat or beef tallow. Germar Rudolf suggested to me that the Germans already had a process for making synthetic soap, so that DNA testing would produce no results.

37.) One of the chief presiding judges, Charles F. Wennerstrum, denounced the proceedings:

“If I had known seven months ago what I know today, I would never have come here...Obviously, the victor in any war is not the best judge of the war crime guilt...The prosecution has failed to maintain objectivity aloof from vindictiveness, aloof from personal ambitions for convictions...the defense had access only to those documents which the prosecution considered material to the case [this is a violation of the “Disclosure“ principle of American justice]...also abhorrent to the American sense of justice is the prosecution’s reliance upon self-incriminating statements made by the defendants while prisoners for more than 2&1/2 years and repeated interrogations without the presence of counsel.” -Harwood, p. 39, 40. But we are not dealing with the American sense of justice. We are dealing with the Talmudic, Zionist sense of justice. Dare we call it Satanic in origin? Judge Wennerstrum went to Nuremberg expecting to dispense justice. Instead, he was asked to rubber stamp a show trial.

38.) Many prisoners of the War Crimes Tribunal were kept in prison, held without charges being filed for months. This included even the wives of the suspects. (Harwood, p. 57.)

39.) Holocaust propaganda has changed with the times. Truth is not flexible. Lies are. No consistent flow of information has ever been established by the hoax industry. New charges and claims arise, all without any substantiation. Old ones dissolve, depending upon which charges have been refuted or not. We all know that the original story was that the Germans kept their “extermination program” a secret. How else could it have happened, anyway? Recently, the hoaxers, contradicting this theory, have claimed that it was common knowledge in those days that the exterminations were going on, but that nobody did anything about it. This claim has been fabricated for the sole purpose of trying to indict Pope Pius XII for “not helping the Jews.” But how can you prevent something that isn’t happening?

I remember very clearly as a child around 1954 standing in a mom-and-pop grocery store in Chicago at the intersection of Kenmore and Dickens. The radio was playing and a special news announcement came up. Two Jewish women were reacting to the radio news story, which was about gassings during the holocaust. I will never forget what the one woman said to the other: “If I had known they were being gassed, I would have never gotten on the train.” So, obviously, six million others didn’t know about it either! And she also survived, whatever camp she was in; and, from her statement, she did not witness any gassings either, because this was the first she had heard about it! Sooner or later, the liar gets caught in his lies. The fact that he owns all the newspapers will not prevent this eventuality.

Never underestimate the power of the BIG LIE. The Jews are the masters of it. My personal opinion is the Zionists decided to promote this myth in order to cover up their own involvement with Nazi Germany in transferring Jews from Germany to Palestine. They needed a smoke screen and a continuous barrage of propaganda to clamp the lid down on any criticism of their WWII maneuverings. The more newspaper space that is taken up by their lies, the less room there is for the truth. As the previous stories have revealed, the Zionists have much to hide.

And while Hitler talked a good game and said many things in defense of Christ and Country that the average person would agree with (He was more beloved by the Germans than Trump is by Americans today..) He was not a

Does this statement from 1930s Germany sound exactly like what we in America are facing today?...

"The Decay of our culture, these mounds of contamination of our whole cultural life, the decomposition of our literature, the poisoning of our theaters, of our movies, all the art is now falling for it. Millions of you do not participate any more. It does not appeal to them any more. This art was not born from our people. It is alien to us and will remain alien. It has nothing to do with the western character and did not come from our soul. It was imposed on us by our subversive press which has made it palatable.

And parallel to this already the assault against the education of our children's brains, the tearing out of all the memories of our proud past, the insult to all our great men and people, the removal of its memory from the heart and the brain and out of our youth and with it a large defilement of our history. Nothing of what was once great, nothing of what helped create this great nation to make it strong was spared from these corroding and corrosive attacks. Everything is demolished starting from the symbols of the past, from the cockades and flags to the great men of our history."

**"The Jews have used a weapon that can only be described as blackmail... The demands of the World Jewish Congress are therefore morally false... There is... no relationship whatsoever between what the banks owe the Jews and what the World Jewish Congress has demanded and received."**

Following the publication of Norman Finkelstein's 2000 history, Hilberg said:

**"Finkelstein was the first to publish what was happening in his book, The Holocaust Industry. And when I was asked to endorse the book, I did so... Finkelstein was being attacked over and over... I was saying the same thing... and I did not hear from anybody a critical word... even though it was the same substantive conclusion Finkelstein had offered."**

"The pressure for war is high and mounting. The people are opposed to it, but the administration seems to have the bit in its teeth and is hell-bent on its way to war. Most of the Jewish interests in the country are behind war and they control a huge part of our press and radio and most of the motion pictures."

...Charles Lindbergh (aviator - author)  
 From: "The Wartime Journals", May 1st, 1941

"The Jews are one of the principal forces attempting to lead the U.S. into the war. The Jews' greatest danger to this country lies in their large ownership & influence in our motion pictures, our press, our radio, and our Government. I am saying that the LEADERS of the Jewish race wish to involve us in the war for reasons that are NOT AMERICAN."

- Charles Lindbergh

"Our bond with Europe is a bond of race and not of political ideology. It is the European race we must preserve, political progress will follow. Racial strength is vital, politics a luxury. If the White race is ever seriously threatened, it may then be time for us to take our part in its protection, to fight side by side with the English, French and Germans, but not with one against the other for our mutual destruction."

- Charles Lindbergh (1902-1974)

**Bruder You Killed me**

So the jews could control your media  
 So the jews could control your banks  
 So the jews control your money  
 So the jews could control your government  
 So your children could die for Israel  
 So foreigners could destroy your cities  
 So foreigners could run your civil and public services  
 So you become a prisoner in your own homes  
 So your people and race are lost forever

## The «Shoa» Sherlockholmised

By R.Dommergue Polacco de Ménasce.

1. Do we know, in the course of History, of an ethnic group which would not rejoice when learning that, in a war ended fifty years before, it had suffered many less losses than it thought? Would the discoverer of such good piece of news, not be rewarded, celebrated? Would he be overwhelmed with heavy fines, would he escape attempted murder, as such was the case with Professor Faurisson? Do such reactions not belong to a heavy case of psychopathy?
2. Have the live skeletons which can be seen in such films as "Night and Fog" (by Alain Resnais), have anything to do with gassing? Are they not the result of famine in the camps because of the systematic bombing of German towns containing more than 100,000 people, "holocausting" hundreds of thousands of women and children who are never mentioned?
3. Where would have been the 4 million Jews ( if we consider that 2 millions were killed in battlefields), when it is well known that one camp could not contain more than 60,000 thousand people, and that except in Auschwitz, there was no Zyclon- B gas-chambers? ( there never was any proof of mass gassing with any other gas).
4. Are the witnesses worth anything, when you know that torture was the way to squeeze out evidence. Such was the case of Commandant Hoess whose ludicrous declaration has become a legend . What about the 100 witnesses

of gassing in Dachau, when it is official that there was no gas chamber in that camp?

5. 130 kilos of coal are necessary for the cremation of one dead body. We are told that the Germans cremated 1300 corpses a day. U.S.A aircraft took hundreds of pictures of Auschwitz, during the supposed period of the holocaust. (1943-44). Why is there not a single gigantic heap of the necessary coal? Why not a single black coil of smoke?

6. Why do radio, films, press, T.V., continue daily to inflict upon us the myth of the six-million-gas-chambers, in a never ending whining and moaning? Why is the Jewish lobby chasing, 50 years after the end of the war, nonagenarians who attempted to rescue Germany from the iniquity of the Versailles treaty, from the rot of the Weimar Republic, from the collapse of German youth, from the unemployment of 6 million people, who, back to work could give bread to the 21,500,000 persons who were dependent on them?

7. Why does the AMERICAN JEWISH YEAR BOOK, issue 43, page 666, inform us that in 1941, there were 3.300.000 Jews in occupied Europe?

8. How is it possible that the gas chambers could be just near the crematoria, when any chemist will tell you that Zyklon-B is hyper-flammable?

9. Why are revisionist historians persecuted when they demonstrate the hoax of the Shoa? A scientific dialogue, a court ordered appraisal have been demanded since 1980 about a problem specifically arithmetic and technical. It would seal truth for ever. It would definitively shut the mouths. Such was the case for Katyn, thanks to the revisionist Gorbachev.

10. How could Zyklon-B gas 1000 people at one time, when it is well known that the USA gas chamber for one ( maximum 2) persons sentenced to death, are of an unheard of complexity and cost? Why, at the trial of the Degesh, which fabricated the Zyclon-B, was it declared in 1949, that gassing in such conditions is impossible and unthinkable?

11. Why did Leuchter, who was in charge of the maintenance of the USA gas chambers, give the firm evidence that there was no gassing in Auschwitz? Why have Austrian and Polish reports confirmed the Leuchter report? Why is the Rudolf report, which analyses all results, forbidden? Why are those who divulge the Rudolf report, heavily sentenced by the law? And yet the slightest care of the quality and accuracy of the report is not taken.

12. Why was, for the first time in History, the doctors degree of Mr Roques, on the "Gerstein report" cancelled? And still, this report was not accepted at the Nuremberg trial! Besides the well known historian, a socialist minister, Alain Decaux, mentioned in the press that " nobody could have access to the Gerstein report, without passing first through the excellent thesis of M. Roques" Alain Decaux said: "I admired the skill and perfection of a "chartist" performed by M.Roques in his doctors degree on the Gerstein report" (in his book: "la guerre absolue" 1998).

13. Why did Raymond Aron and François Furet at a Sorbonne seminar, (to which no revisionist was invited), (state) that there was not the slightest trace of a written or oral order for the extermination of the Jews?

14. Why is it never spoken of the planning of the extermination of the Germans as expressed in a book written by the Jew Kaufmann ("Germany must perish"), by sterilization of German men.? It is undoubtedly a small detail?

15. Why Zyklon-B, used by the Germans for hygiene since 1920, could be used in the concentration camps for other purposes than delousing and protection against typhus? Why large quantities of Zyklon-B could be found in camps where it is official that there never was any gassings???

16. Why do they harp on the “six-million-gas-chamber” and never on the 80 million Goyim exterminated in the USSR, by an entirely Jewish political regime, the executioners of which bore the names of Kaganovitch, Yagoda, Frenkel, Firine, Jejoff, Ourenski, Rappaport, and fifty other Jews?

17. Why, during the Zundel trial in Canada, the famous exterminationist Jews disgraced themselves by talking of “poetic license” in their holocaust assertions, and never came back when summoned by the judges?

18. Why the Fabius-Gayssot law ? (the man of the contaminated blood and another man, a Communist dragging along 200,000,000 corpses).

19. Is it not the supreme proof of the fake? Is it not casting out nines? There is no need of Stalino-Orwellian law “to be put in prison because of ones beliefs” (thought crime of ” 1984 “) as stated M. Toubon, before he became a minister of Justice in France, to set up truth. This law is anti constitutional, anti democratic, against the rights of men. Facts, proofs, pros and cons, are only what we need. Professor Faurisson besought for the granting of a forum with an unlimited number of contradictors: he never obtained it. L’abbé Pierre did ask for it: they pretended to grant it but refused it almost immediately. The forum did take place at the television of Lugano. It was a complete success for the Revisionists and was broadcast twice. Nobody knows it as the media at the beck and call of the Jewish lobby, move their little finger only when authorized.

20. Why is it that when a professor declares that the holocaust is an arithmetic and technical ineptitude, he is forthwith dismissed! This, for the first time in History, sets up the insane concept of religious historical dogma, which in case of non perennial worship, is doomed to be struck by the lightning of the inquisition of a secular state.

21. Why did the EXPRESS, a famous French newspaper, in January 1995, assert that the gas-chamber shown for decades in Auschwitz I, was reconstructed after the war, and that all that concerns it, is false?

22. There was actually a holocaust of 60 million people in a war declared in 1933 by the Jews against Hitler. Hitler had given bread to 6 million unemployed, he had rejected the dictatorship of the dollar and the Jewish totalitarianism which pollute man and the planet and which is called “democracy” by semantic mystification. Only two parties are left: the totalitarian Judeopathy, exterminating man and the planet, and Nationalism for the Goyim not yet cankered by Capitalisto-Marxist Jewish influence.

In “Marianne” Jean François Kahn expresses anger against the bureaucrats of the Jewish World Congress about the despoilment of Jewish property, which ended on the 3rd of March 1998 in Washington. He writes: “They have reduced the Shoah to a financial market. So the typical victim of Nazi barbarity, the archetype of the most frightful genocide of this time, is not the exploited worker in Cracovie, the humble artisan of Lodz, the small civil servant of Kiev, the modest shopkeeper of la rue des Rosiers, or the unknown craftsman of Riga, but the cosmopolitan billionaire who collected Rembrandt and Rubens, slept on a heap of gold signed here and there comfortable insurance policies, sent his children to the U.S.A in order that they should make a brilliant career. This mighty lobby of American oligarchs is not ashamed of reducing the holocaust to a Shoa-business.” If Faurisson had written what J.F. Kahn wrote he would have had one more trial on his shoulders ! There is not the shadow of a doubt!
