Hitler On the Mass Poverty Caused by the Post WW I Treaty of Versailles

When I look on my people I see it work and work and toil and labor, and at the end of the week it has only for its wage wretchedness and misery. When I go out in the morning and see these men standing in their queues (soup lines) and look into their pinched faces, then I believe I would be no Christian, but a very devil, if I felt no pity for them, if I did not, as did our Lord two thousand years ago, turn against those by whom today this poor people is plundered and exploited.

Hitler on Globalist Bankers

What does democracy or authoritarian state mean for these international hyenas? They don't care. They are interested only in one thing: are you willing to be plundered? Yes or No? Are you stupid enough to keep quiet in the process? Yes or No? And when a democracy is stupid enough, then it is good. And when an authoritarian state declares: No. You will not plunder our people any longer! Then it is bad.

Hitler on Fake News (Judenpresse) Liars

In the big lie there is always a certain force of credibility; because the broad masses of a nation are always more easily corrupted in the deeper strata of their emotional nature than consciously or voluntarily; and thus in the primitive simplicity of their minds they more readily fall victims to the big lie than the small lie, since they themselves often tell small lies in little matters but would be ashamed to resort to large-scale falsehoods. It would never come into their heads to fabricate colossal untruths, and they would not believe that others could have the impudence to distort the truth so infamously. Even though the facts which prove this to be so may be brought clearly to their minds, they will still doubt and waver and will continue to think that there may be some other explanation -- a fact which is known to all expert liars in this world and to all who conspire together in the art of lying.

Hitler on Modern Art

Works of art that cannot be understood but need a swollen set of instructions to prove their right to exist and find their way to neurotics who are receptive to such stupid or insolent nonsense will no longer openly reach the German nation.

Hitler's Prayer for the World

Lord God, give us the strength that we may retain our liberty for our children and our children's children, not only for ourselves but also for the other peoples of Europe, for this is a war which we all wage, this time, not for our German people alone, it is a war for all of Europe and with it, in the long run, for all of mankind.

Hitler on Who Started the War

It is untrue that I or anyone else in Germany wanted the war in 1939. It was desired and instigated exclusively by those international statesmen who were either of Jewish descent or worked for Jewish interests. -- Three days before the outbreak of the German-Polish war I again proposed to the British ambassador in Berlin a solution to the German-Polish problem—similar to that in the case of the Saar district, under international control. This offer also cannot be denied. It was only rejected because the leading circles in English politics wanted the war, partly on account of the business hoped for and partly under influence of propaganda organized by international Jewry.

Hitler on Invading the Soviet Union

It became increasingly clear from month to month that the plans of the men in the Kremlin were aimed at the domination, and thus the destruction, of all of Europe. I have already told the nation of the build-up of Soviet military power in the East during a period when Germany had only a few divisions in the provinces bordering Soviet Russia. Only a blind person could fail to see that a military build-up of world-historical dimensions was being carried out. And this was not in order to protect something that was being threatened, but rather to attack that which seemed incapable of defense ... I may say this today: If the wave of more than 20,000 tanks, hundreds of divisions, tens of thousands of artillery pieces, along with more than 10,000 airplanes, had not been kept from being set into motion against the Reich, Europe would have been lost.

Hitler on Zionism

While the Zionists try to make the rest of the World believe that the national consciousness of the Jew finds its satisfaction in the creation of a Palestinian state, the Jews again slyly dupe the dumb Goyim. It doesn't even enter their heads to build up a Jewish state in Palestine for the purpose of living there; all they want is a central organization for their international world swindle, endowed with its own sovereign rights and removed from the intervention of other states: a haven for convicted scoundrels and a university for budding crooks.

Hitler on FDR

After the war (WW 1) Roosevelt tried his hand at financial speculation: he made profits out of the inflation, out of the misery of others, while I, together with many hundreds of thousands more, lay in a hospital. I will pass over the insulting attacks made by this so-called President against me. That he calls me a gangster is uninteresting. After all, this expression was not coined in Europe but in America. Apart from this, I cannot be insulted by Roosevelt for I consider him mad just as Wilson (Woodrow) was. First he incites war, then falsifies the causes, then odiously wraps himself in a cloak of Christian hypocrisy and slowly but surely leads mankind to war, not without calling God to witness the honesty of his attack in the approved manner of an old Freemason.

Hitler on Churchill

Churchill is the most bloodthirsty or amateurish strategist in history. For over five years this man has been chasing around Europe like a madman in search of something that he could set on fire. --- The gift Mr. Churchill possesses is the gift to lie with a pious expression on his face and to distort the truth until finally glorious victories are made out of the most terrible defeats. His abnormal state of mind can only be explained as symptomatic either of a paralytic disease or of a drunkard's ravings.

Hitler on The Protocols of the Learned Elders of Zion

To what an extent the whole existence of this people is based on a continuous lie is shown incomparably by the Protocols of the Elders of Zion, so infinitely hated by the Jews. They are based on a forgery, the Frankfurter Zeitung (newspaper) moans and screams once every week. This alone is evidence for their authenticity. Once this book has become the common property of a people, the Jewish people may be considered as broken.

Hitler on Marxism & Democracy

The Jewish doctrine of Marxism rejects the aristocratic principle of Nature and replaces the eternal privilege of power and strength by the mass of numbers and their dead weight. --- For there is one thing we must never forget: The majority can never replace the man. And no more than a hundred empty heads make one wise man will an heroic decision arise from a hundred cowards. --- Sooner will a camel pass through a needle's eye than a great man be 'discovered' by an election.

Hitler on the Role of Women

The slogan 'emancipation of women' was invented by Jewish intellectuals, and its content was formed by the same spirit. In the really good times of German life, the German woman had no need to emancipate herself. She possessed exactly what nature had given her to administer and preserve; just as the man in his good times had no need to fear that he would be ousted from his position in relation to the woman. If the man's world is said to be the State, his struggle, his readiness to devote his powers to the service of the community, then it may perhaps be said that the woman's is a smaller world. For her world is her husband, her family, her children, and her home.
